EMERGENCY RIDE HOME

If you take a sustainable commute to work, you are always guaranteed a ride home.

Sustainable commutes: Carpool, vanpool, bus, train, light rail, walk, bike.

Eligible Reasons for Using ERH:

- ✓ Unexpected personal or family illness
- ✓ Unexpected change in planned ride home
- ✓ Unexpected request by supervisor to work late without notice

How does it work?

1. **Create an account or login** to the Ride Together Pierce trip calendar at RideTogetherPierceCalendar.com

   *Users will not be able to see the ERH program for the first two weeks of creating their account. Employees can still take an ERH and submit their receipt for reimbursement afterward.

2. On the trip calendar, **scroll down to "My Rewards,"** review the program rules and enroll in the program.

3. Commute sustainably. In an emergency, **request a voucher for Lyft**. Apply the voucher to your Lyft account **or request a reimbursement** by submitting your receipt.

More info at **RideTogetherPierce.com/ERH**.
